Oasis Center of
the Rogue
Valley

*More than a Clinic, a
Community*

Primary Health Care and Addiction Treatment

- Full range of primary care medical services
- Medication-Assisted Treatment (MAT)
- Pediatric care
- Preventative care
- Women's Health
- Telehealth

The Oasis Center provides care for the whole family.

We accept Oregon Health Plan and offer sliding fee scale discounts based on income and family size.

If you are uninsured an Oasis Center Assistor can help you to enroll in the Oregon Health Plan!

The Oasis Center of the Rogue Valley does not discriminate on the basis of race, color, national origin, age, disability, or sex.

Pregnancy and Newborn Care

The Oasis Center provides **prenatal** and **postpartum** care for women who struggle with addiction as well as pediatric care for their infants.

Women participating in Oasis Center receive supportive and compassionate care, including Medication Assisted Therapy (MAT) services, behavioral health, and peer support in a welcoming community environment.

The Oasis Center offers weekly pregnancy and parenting groups that bring people together to journey through pregnancy and parenting with the support of medical, mental health and peer facilitators.

Child Development and Parenting Support

- Parenting support, education, and groups
- Developmental family playroom
- Child-watch services
- Childcare referrals
- Welcoming family environment

Multi-Disciplinary Team MDT

The Oasis Center MDT program facilitates coordination for clients involved in community systems including **Community Justice**, **DHS Child Welfare** and **Self-Sufficiency**, **medical care**, and **substance abuse treatment** to support families.

The Oasis MDT *motivates* and supports clients in achieving personalized goals that foster positive and significant life change.

“Thank you for all your unconditional love and support! I wouldn't have been this far in life/recovery if it wasn't for you and the team!”
